

Dear Colleague:

We seek your assistance as expert reviewer for the annual MICCAI conference, to be held in Granada, Spain, September 16-20 2018.

The paper review will take place during the whole month of April, 2018. Each reviewer will be asked to assess up to about six (6) papers.

We will be using the Microsoft Conference Management System and automatic paper assignment based on the Toronto Paper Matching System, combined with custom add-ons, as successfully used for MICCAI 2017.

As you may have experienced yourself in the past, reviewing for MICCAI is a great experience but also a demanding undertaking – the success and quality of the MICCAI conference, to a very large degree, depends on the quality of the reviews.

In recognition of your efforts, your name will be listed in the conference program and we also offer prestigious awards for our best reviewers.

If you are willing to review for MICCAI, please access the “Call for Reviewers” sign-up form, as soon as possible, at the provided link.

Thank you very much, in advance, for your invaluable help to MICCAI.

Warmest regards,

MICCAI 2018 Organising Committee
